

## Directions to the Mississippi River Group Camp:

(We'll have Swamp Stomper signs out.)

- Go north on Watkins until it deadends at Locke-Cuba. Turn left.
- Go to the first stop sign (Bluff Road) and turn right.
- Go several miles down Bluff Road, past the main entrance to the park, past Jackson Hill. Bluff Road turns back to the right at the Jackson Hill sign. Stay on Bluff Road.
- The road will split about a 1/4 mile down, turn left.
- About 1/2 mile down on the left is a poorly marked entrance to the park. Turn left into the park.
- Go down another 100 yards or so and turn left to go toward the lodge. If you go down a really steep, S-shaped hill, you've gone too far.
- Go all the way to the end of this road, which deadends at the lodge. We'll be inside the lodge.
